Report

1. **G.P.Biotec** - Cllr Brown and Cllr Price attended G.P.B's Liaison Group meeting on 28th September 2016, at Porthamal Farm, The issue of tractor's speeding was addressed, but the impression was that G.P.B were very blasé about the situation, leaving Cllr Brown with no other option than having to plead with them to be more considerate while travelling on the back roads, G.P.B suggested that Cllr Brown had gone out of her way to restrict their tractors travelling through Llanfilo by parking her car in an awkward position outside her house, a claim which she strongly denies. Cllr Price commented that at a previous meeting it was agreed that the tractors would not travel on the main

road between Bronllys & Talgarth, that they would make a detour around Threecoaks, obviously this is not the case, as he has witnessed several travelling that route over the last week or so.
The next meeting is arranged for 18th January 2017. _____
